iBlocks + Products

Let's say you were thinking about a STEM program and you needed some help.

Depending on how skillful your students are, our authors, who are teachers, have taken their favorite iBlocks and paired them with products creating a student-led experience with one product more challenging than the next.

Here are a few suggestions you might like:

Literacy iBlock: Create a Board Game

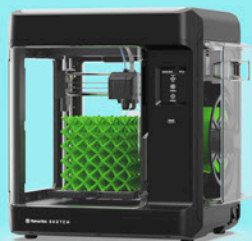

Lead literacy knowledge to victory by strategizing with game-changing fabrication systems.
