iBlocks + Products

Let's say you were thinking about a STEM program and you needed some help.

Depending on how skillful your students are, our authors, who are teachers, have taken their favorite iBlocks and paired them with products creating a student-led experience with one product more challenging than the next.

Here are a few suggestions you might like:

Literacy iBlock: Class Pet

Reimagine literacy by bringing stories to life with a robotic pet.

1

Kibo

2

KUBO

3

ozobot

These products offer increasing levels of complexity.

Math iBlock: Design a Specialty Truck

Rethink math, and make it tangible by practicing with these innovative bots.
